

# Book Fair 2017

Dear Parents and Families:

Reading is the most important skill you can teach a child. Of all the skills children learn, it is the one you can influence the most.

We invite you to visit our Scholastic Book Fair and experience a celebration of reading that provides families the opportunity to get involved in a universal mission: *encouraging kids to open a world of possibilities.*

Our Scholastic Book Fair theme **Bookaneer-Where books are the treasure!**– surrounds students in the celebration of reading with hundreds of fun, engaging, affordable books for them to discover. Giving kids access to good books and the opportunity to choose their own books will motivate them to read more, and like most acquired skills, the more children practise reading, the better they'll achieve.

Reading is vital to every child's success, and raising children as readers, means getting involved while they're young. Now is the time. Since there will never be a substitute for a parent's direct involvement in his/her child's education, please make plans to visit our Book Fair. Hope to see you there!

Your child will have the opportunity to attend the Book Fair and fill out a Wish List which they will bring home. **We would love parents to attend the Book Fair with their children.** Book purchases can then be made **online** following a few simple steps or at the Book Fair during sales times.
