ELECTRONIC YEARBOOK ORDER FORM

In recent years we have produced an electronic yearbook highlighting many of the events and activities that take place at Somerville Rise Primary School throughout the year. We will again be producing an electronic yearbook which will be a compilation of photos from significant events and grade happenings that took place in 2016 at Somerville Rise Primary School such as camps, excursions, school concert, graduation, etc. This is a great keepsake of your child's year in 2016 at Somerville Rise Primary School. If you would like to purchase a copy of the Somerville Rise Primary School electronic yearbook for \$10 please complete the order form below and return it to the office with your payment by Wednesday 14th March, 2017.
