Animal Activity Day

Friday, 2nd March 2018

22/2/18

Dear Parents and Carers,

Week five marks our Prep student's first full time week at Primary School. In order to mark this special occasion, we would like to celebrate with the students by having a special picnic on the Friday which will include all Prep, Year 1 and Year 2 students. As Saturday 3/3/18 is World Wildlife Day, we are planning an Animal Activity Day which will include a special family picnic.

Students are encouraged to bring a soft animal toy with them on this day. We will be using these toys for Maths activities—classifying, grouping, ordering, measuring etc. as well as some Literacy activities—we will be reading books and singing songs about animals. To support our learning about procedural texts we will be making animal masks for the students to wear to the picnic and icing biscuits to make them look like animals (please make sure your child's teacher is aware of any food allergies).

We will be having the picnic outside in the courtyard. Our toys will come outside to celebrate with us. Parents (grandparents, aunties, uncles, younger siblings etc.) are most definitely invited to come and bring a picnic to join us. We will meet in the courtyard at 11:00am.

Looking forward to a great day,

Di Wheeler, Adam Poole, Jane Hart, Debbie Deacon and Lisa Durham
