

## I SEA I CARE Blue Day

10/03/2017

Dear Parents and Guardians,

The Somerville Rise Primary School Student Representative Council (SRC) has organised a fundraising day for Term 1 for I SEA I CARE Dolphin Research Centre. We will be having a BLUE DAY (to represent the Bays and Oceans) on Friday 17<sup>th</sup> March 2017.

This local organisation is based at Hastings, on the shores of Western Port in Victoria, with focus on the south-eastern region of Victoria, especially Port Phillip, Western Port and the Gippsland Lakes.

DRI began in the late 1980's by people who were concerned about local dolphins and their marine environment. The Institute has grown into the well-managed, sustainable, not-for-profit conservation organisation that is the 'go-to' for just about all-things dolphin related in Victoria. The Dolphin Research Institute has been caring for our bays since 1991.

Our Environment Leaders have been very lucky to spend the day with these dedicated people to learn more about the Dolphins and marine life in Port Phillip and Western Port Bay.

This event will be held on **Friday 17<sup>th</sup> March 2017** and the theme, as selected by the students, will be 'Blue Day'. Students are encouraged to dress in all blue clothing to represent local bays. Please no makeup, hair colour, thongs or singlets. (We need to stay Sunsmart and have appropriate school footwear) **A gold coin donation applies.**

Alison in the canteen will support the I SEA I CARE event by donating 20 cents for every one of her special biscuits sold on the day.

The SRC thanks you for your support.

Linda Kallinikos  
SRC Coordinator
