**DISTRIBUTE TO: 5/6 students
involved in winter sport**

INTER-SCHOOL WINTER SPORT 2017

Dear Parents,

As part of their sports program, the Senior School Students will be competing against six other schools in the Murdoch District Inter-School Winter Sports Competition. The sports played are Football, Soccer, Netball, T-ball and Newcomb.

Your child has been selected to play.....

**WHEN: 5th, 12th, 19th, 26th of May,
the 2nd and 9th of June.**

All games are played on a Friday during our 5/6 sport session (9am-11am)

COST: A single payment of \$ 22 for all of the fixtures covers our travelling expenses.
Payment due by May 4th

The students must have full school uniform, as well as sports gear appropriate to the sport they are playing. Football and soccer will have game tops provided. Students will also need to bring their water bottle.

Footballers must have a mouth guard to play.

The Winter Sport fixture and venues can be found on the back of this sheet. Each week we will have some teams playing at HOME and the others will play AWAY. This is because none of the schools can cater for all games being played at once.

When we play Somerville PS we walk, to all the other schools we travel by bus. (Please note that venues may change at short notice for reasons out of our control). Some soccer games at HOME will be played at the Secondary College next door. Netball games will be played at school.

Please complete all sections of the payment envelope and **return to school by Thursday the 4th of May**. Should you have any queries about this event or would like to help in any way please do not hesitate to contact your child's teacher or myself at school.
