PRINCIPAL’S REPORT – Nicky Fammartino

Child Safe Policy

Child safety is always a priority here at Somerville Rise Primary School. A copy of our Child Safe Policy will be available on our web page and there is also display on the parent communication board in the office area near the Library.

In the near future we will be fine tuning policies around mobile phone and internet use to stay on top of keeping our children safe in light of the increasing risks associated with social media and advancements in technology.

A reminder to keep an eye out on your children’s use of the internet over the holidays and remind them to report bullying, not to accept friendships from anyone they don’t physically know or trust and anything they post is open to public.

Before you Post, THINK

T: Is It TRUE?
H: Is It Helpful?
I: Is It Inspiring?
N: Is It Necessary?
K: Is It Kind?

A reminder that term 4 is a compulsory hat term in all Victorian schools. Please ensure your child has an appropriate hat on day one and understands that the “No hat No sun” rule will be non-negotiable in the interest of their health and safety.

Speaking of safety—I wish you and your families a safe end enjoyable holiday break and I look forward to seeing everyone next term for a sun and fun filled end to the year.
