

Professional Development Session for Parents Reader's Workshop

Tuesday 12th June 2018

Dear Parents and Carers of Junior School Students,

As part of our whole school reading program at Somerville Rise Primary School we are providing an opportunity for parents to attend a session to enhance their child's reading experience.

We will be supporting you with simple strategies that you can use at home to improve your child's reading skills. These strategies will also be used in the classroom to give your child the best chance at reading success.

Classroom helpers are highly encouraged to attend as the strategies taught will be used during classroom Reader's Workshop lessons. This session is designed to prepare adult helpers for their task of assisting children in a variety of learning activities. These activities are always planned by the teacher and parents work with teacher support. This session will offer detailed information about the literacy programs, and in particular the Reading program and it will help participants understand the learning environment.

Details of the session:

Date: Monday 18th June

Time: 9.00am- 10.00am

Venue: Room 15- JSL learning space

Could you please indicate below if you intend to attend this session.

Please see Lisa Durham if you have any questions.

Kind Regards,

Lisa Durham
Leading Teacher

Interested? If so...

Please return this note to your child's teacher by Friday 15th June

Yes, I would like to attend the **Reading Professional Development** session
