

ROAD SAFETY / SCHOOL CROSSINGS

26/06/2017

Dear Parents,

We have been notified that some of our students are not using the school crossings and are crossing the roads in an unsafe manner.

The four school crossings that surround our school are manned by school crossing supervisors from the Mornington Shire. These supervisors play an important role to our students and the community by providing reassurance of safety around schools.

In addition to assisting children and adults to cross the road, supervisors also provide guidance and care by ensuring everyone follows the road rules.

If your children use the children's crossing to walk to and from school, please remind them to use the crossing.
