

## Grade 6 Camp Phillip Island Adventure Resort

The venue for our Grade 6 Camp is the Phillip Island Adventure Resort (PIAR). The camp is fully catered and offers heated, ensuite bunkroom accommodation. PIAR complies with all Health and Safety requirements and is an accredited school camp site.

A range of Outdoor Education activities, including Circotron, canoeing, Giant swing, flying fox, low ropes, Koala prowl night trail, orienteering, archery, boulder wall and campfire cooking are offered. We are also able to spend an afternoon next door at 'Amaze 'n' Things' which includes mini-golf, a maze and a house full of optical illusions; we will also visit Maru Fauna Park on the way home. All activities are planned and supervised by our school staff in conjunction with qualified instructors from PIAR.
