\*Read at least one page to another person each day, in order to practice for our Buddy Reading with the Junior students. Remember to read clearly, expressively and fluently.

### English

**Add in any necessary punctuation to complete this passage.**

Do you know how much time you spend listening to music on your iphone do you turn it up so loud so that you can't hear any outside noise Well you may be doing more harm than good

Iphones are a great source of entertainment but they are also the cause of serious hearing problmes for young people today research has found that young people are more likely to play their music too loud which can result in hearing loss later in life

did you know that the earpieces designed to fit firmly in your ear canal allowing outside noise to be eliminated this means that the music is pumped directly into your ear potentially causing permanent damage theirteen year old Jessica long questions her knowledge of the dangers of iPhones how was I supposed to know they were bad for me No-one ever told me thay could be dangerous

You need to ask others around you if they can hear your music while you have it on and the headphones in your ears. You also need to ask yourself am I causing permanent damage to my hearing right now just by having my music up too loud

### Working in a Team

Write down at least 3 positive benefits of working with a partner or group.

Write down any negatives there are.

Write down a complement to tell your partner.
