One Thing by One Direction Figurative Language

Identify an example of a metaphor, hyperbole, personification, and idiom by marking the text. (underline, circle, or highlight, then label each example. (There may be more than one answer).

I've tried playing it cool
But when I'm looking at you
I can't ever be brave
'Cause you make my heart race
Shot me out of the sky
You're my kryptonite
You keep making me weak
Yeah, frozen and can't breathe

Something's gotta give now
Cause I'm dying just to make you see
That I need you here with me now
Cause you've got that one thing

So get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that one thing
And you've got that one thing

Now I'm climbing the walls
But you don't notice at all
That I'm going out of my mind
All day and all night
Something's gotta give now
Cause I'm dying just to know your name
And I need you here with me now
Cause you've got that one thing

So get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that one thing
Get out, get out, get out of my mind
And come on, come into my life
I don't, I don't, don't know what it is
But I need that one thing
And you've got that one thing

Write a poem about a family member, using similes and metaphors.

My Mum is a rock
Amongst the swirling waves of life
She is like a surfboard carrying us to shore
When we are in strife.
