

Level 5/6 Homework Term 3 Week 4 2019

Assigned: Tuesday 6th August 2019

Due: Tuesday 13th August 2019

Reading

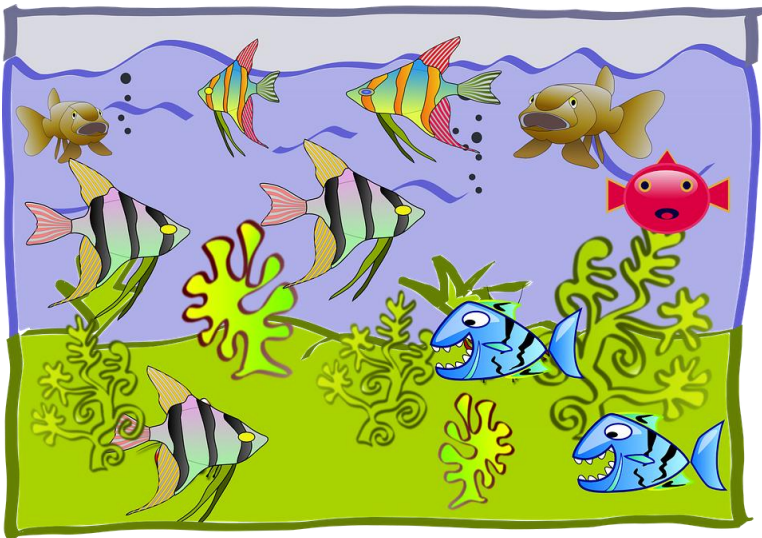

Home reading: Complete at least 20 minutes of reading every day. Keep your book in your bag so that you can read it when you get time in class, or have another book at school to read. Remember to keep a record of the books you have been reading in the reading log at the back of your homework book.

*Read at least one page to another person each day, in order to practice for our Buddy Reading with the Junior students. Remember to read clearly, expressively and fluently.

Maths:

Draw a picture of the following problem. There is a large rectangle fish tank. In the tank $\frac{1}{2}$ of the fish are blue. There are more than 10 fish altogether. How many different tanks can you draw? What colour are the other fish?

Challenge. Find at least 6 different ways to solve this problem

Inquiry

Watch the following video explaining the difference between goods and services

<https://www.youtube.com/watch?v=Umq76iNkhx0>

Copy the table into your homework book and write down 6 examples of goods and 6 examples of services

Goods	Services
