

Level 5/6 Homework Term 3 Week 8 2019

Assigned: Wednesday 4th September 2019

Due: Tuesday 10th September 2019

Reading

Home reading: Complete at least 20 minutes of reading every day. Keep your book in your bag so that you can read it when you get time in class, or have another book at school to read. Remember to keep a record of the books you have been reading in the reading log at the back of your homework book.

*Read at least one page to another person each day, in order to practice for our Buddy Reading with the Junior students. Remember to read clearly, expressively and fluently.

What comes once in a minute, twice in a moment, but never in a thousand years?

Maths:

Draw a block letter of the first initial of your name. Add in lines to create as many different angles as you can. Make sure you label the angles. Can you make an obtuse, right, acute and reflex angle?

Growth Mindset

This term we have been working on cultivating gratitude. An “attitude of gratitude” helps us stay positive and focus on the aspects in our life that are going well. Gratitude can increase our happiness and resilience. We’ve made gratitude leaves at school to showcase what we are thankful for.

- 1) Write, draw and colour a gratitude leaf about something outside of school that makes you happy. You don’t have to use a template for this and can be as creative as possible.

OR

- 2) Write a card to a friend or family member thanking them for something.

“Develop an attitude of gratitude, and give thanks for everything that happens to you, knowing that every step forward is a step toward achieving something bigger and better than your current situation.” – Brian Tracy
