

100 Days of School Celebration

Dear Parents, Friends and Families of Junior School Students,

This Friday the Junior School will be celebrating our Prep students first 100 days of school. We also feel it is important to celebrate the first 100 days of Year 1 and Year 2 for the older students too.

During the day this **Friday 20th July** we will be hosting activities for all Junior School students to help celebrate this important milestone.

As part of the celebration, we ask that each student bring a collection of 100 of something. Some examples of what your child might like to bring are:

- 100 words cut out of a magazine or newspaper
- 100 buttons
- 100 m&m's
- 100 pebbles
- 100 cents
- 100 photo
- \$1.00 coin

Items can be collected in a zip lock bag or stuck to a t-shirt. Feel free to be as creative as you like!

We look forward to sharing in this wonderful celebration of learning with your children.

Kind Regards,
Junior School Team
