

# Level 5/6 Homework Term 1 Week 7 2017

Assigned: Friday 17<sup>th</sup> March 2017

Due: Thursday 23<sup>rd</sup> March 2017

## Reading

**Home reading:** Continue to complete at least 20 minutes of reading every day. Keep your book in your bag so that you can read it when you get time in class, or have another book at school to read. Remember to keep a record of the books you have been reading this year so that you can enter them on the *Premier's Reading Challenge* **which starts soon and ends in September!**

## Maths. Angles

**Applied Maths:** We have been learning about angles in Maths this week. ☺ You should now be able to identify and categorise an angle as either right, acute, obtuse or straight.

Please complete the angle categorisation sheet provided by cutting and pasting each of the angles into their correct category.

**CHALLENGE.** Using a protractor label the degrees of each angle.

## The answer is ..... What is the equation?

### Problem Solving

Using the answers provided below record as many possible equations that will give you this as an answer. You may use as many operations and steps as you wish to get to your answer.

- a. 40
- b. 120
- c. 24

## Mathletics

If you have access to the internet at home please log onto your Mathletics account and complete the set geometry activities. You may then want to challenge yourself to play a game of live Mathletics.

Acute

Obtuse

Straight

Right
