<p>INCURSION DETAILS:</p>	<p style="text-align: right;">3-Aug-18</p> <h2 style="text-align: center;">THE PROTECTORS</h2> <p>Brainstorm Productions is providing an entertaining, educational theatre experience for our whole school. 'The Protectors' is an emotional, wellbeing resource and a wonderful way to learn how to be assertive and resilient. The performance offers concrete solutions children can practice to protect themselves from hurtful comments and negative behaviours they may encounter in their lives. Clear instructions on cyber safety are delivered in a fun and memorable way. Children will learn to empathise and appreciate the devastating consequences of cyber bullying.</p>  <p>The production has been planned to coincide with R U OK DAY, an annual day in September dedicated to remind people to ask family, friends and colleagues the question, "R U OK?" in a meaningful way. Something we're never too young to learn is that asking "are you ok?" can make a difference. By giving students the confidence to start conversations regularly and with real care, they can be the generation that transforms the way we look out for those needing help.</p>
