

Grade 4 Briars School Camp EXPRESSION OF INTEREST 2017

Dear Parents,
As part of the Outdoor Education component of our Health and Physical Education Program at Somerville Rise Primary School, a three day camp has been planned in term 4 from **Monday the 27th to Wednesday the 29th of November**. To finalise our booking we require the number of children who will be attending the camp.

The venue for our 2017 camp is the Briars Camp in Mt Martha. The camp is fully catered and offers heated bunkroom accommodation. The Briars complies with all Health and Safety requirements and is an accredited school camp site.

A range of Outdoor Education activities, including giant swing, flying fox, low ropes, archery, hut building, dip netting, photo trails, a guided night walk, initiative activities, campfire cooking are all offered and we will be entertained by 'The Music Man' on the second night. All activities are planned and supervised by our school staff in conjunction with qualified instructors from The Briars.

The cost of the camp is estimated to be \$220 which includes accommodation, meals and involvement in all activities (the final cost is largely determined by the number of children attending). **Please note that parents transport their children to and from the Camp.**

More detailed information including the final cost of the camp will be sent to you as soon as we have confirmed the numbers for our booking.
(At least 80% acceptance is required for the camp to proceed.)

Could you please complete the form below and return it to the school with **a deposit of \$80 by Friday the 8th of September** to secure bookings at the camp. This will allow us to complete our confirmation and commence organising and planning various aspects of the camp.
Balance of the payment for camp will be required by **Friday the 17th of November**.

If you wish to make arrangements for a payment plan, please contact the Principal or Business Manager, as soon as possible.

Thank you for your interest,
Brenton Patterson and the Grade 4 Teachers
