Cost

1449

The major costs associated with the project are

- FENDER PASSPORT EVENT PORTABLE PA SYSTEM \$1,149.00 Amplifier/Sound Equipment Kit for community performances.

The \$1,000 grant will be used

FENDER PASSPORT EVENT PORTABLE PA SYSTEM \$1,149.00
This equipment will expand our community assemblies, performing arts program & band's repertoires to add flair to student performances. Purchase of a quality system will ensure longevity that will serve SRPS for many years. Our project idea helps the community come together through student performance sessions! Your vote will help us purchase new amplifier/sound equipment for community performances. Help student voices get to the ears of the community! New Amps and sound gear will highlight our assemblies, events, school performances.

How they raise the rest of the funding

We will fund the shortfall of \$149. • Make your vote count & support our school project idea
