

Year 6 Graduation 2017

20/11/2017

Dear Parents,

As you would be aware, the Year 6 graduation ceremony will be held on **Thursday December 21st, beginning at 7.00 pm.**

This major school event is quickly approaching and we know you'll be eagerly awaiting further information regarding organisational details.

Our graduation ceremony will be held off campus, at the Somerville Secondary College Gymnasium. This venue has been selected to cater for our specific requirements for such a special occasion –close proximity for rehearsals, a greater number of seats available per family; air conditioning; a stage to enable better viewing; and excellent audio-visual facilities to highlight the achievements of our students.

We are pleased to inform you that, due to the larger venue, each family may bring a maximum of 6 people (not including your Year 6 child).

At Somerville Rise Primary School the aim is to celebrate the completion of each child's primary education, through a ceremony which befits the formality of the occasion. Accordingly, students will be required to wear full school uniform in order to receive awards and make presentations.

We haven't forgotten the fun part either as an exciting Graduation excursion has been organised for Wednesday the 20th December (a note has already been sent home).

We will also be having a farewell "Breakfast in the SRC courtyard" for all Year 6 students and parents on Friday 22nd December 2017 at 8.15am.

To assist in the organisation of our graduation ceremony (which includes breakfast the next morning), could you please complete the form below, indicating the number of family members who'll be attending both events (these numbers do not include your child). There is no cost involved with either event.

Nicky Fammartino
