

# Junior School Term 3 Inquiry

## HISTORY- What has changed over time?

30/07/18

Dear Parents,

Welcome to Term 3! This term Junior School students will be inquiring in to History with a focus on **'What has changed over time?'** Students will be finding out about how things have changed in recent generations (approximately the last 50 years) with a particular focus on the areas of **Technology, Transport and Toys and Games.**

We are going to be setting up class 'museums' and would love if students could bring in items for us to display. These 'old' things could include things like cassette players, typewriters, toys, phones, clothing, books, money etc. If it is possible for these things to stay in the classroom for the term that would be great. Please label them with your child's name. If that isn't possible a quick 'Show and Tell' can be arranged. We will take great care of these possessions, but accidents do happen, so please don't send in anything that is fragile or valuable. Old photographs could also be sent along.

### SAVE THE DATE—GRANDPARENT'S DAY

On Thursday 30th August, we are going to be having a Grandparent's Day, where Grandparents or other older family members or friends will be invited to join us.

**Date: Thursday 30th August**

**Time: 12:15 to 1:40pm**

Students will interview our visitors and ask them questions about how life was different from when they were at school compared to life today, particularly in the areas of Transport, Technology and Toys and Games.

Students will bring home an invitation for this event soon.

Looking forward to a great term.
