

Dear Parents

The Junior School will be sharing a song at assembly again this Friday. This time we have chosen to do a song based on our recent swimming experience. Lyrics are below. It would be great if you could help your child learn them before Friday. All of the Junior School will be singing, but only the Grade One students will stand out the front – Preps and Grade Two students will sit and face the audience. If your child would like to bring in a pair of goggles to wear whilst they are singing that might be cute!

Some students will also be reading their Big Write which they will be completing this week based on swimming.

Thanks for your support

Please don't pee in the pool

Listen to me, that's just not cool

If you only follow this one rule

Listen to me please don't pee in the pool
If you have to go to the bathroom
Here's a thought: why not do that in the bathroom
Don't you worry you'll be back soon
In the clean clear water that you didn't ruin
Please don't pee in the pool
Listen to me, that's just not cool
If you only follow this one rule
Listen to me please don't pee in the pool
People swim to have fun and be mellow
That's hard to do when the blue is mixed with yellow
So when you're through with water, juice or jello
Please keep the pool fun and mellow without yellow
Please don't pee in the pool
Listen to me, that's just not cool
If you only follow this one rule
Listen to me please don't pee in the pool
