

Outdoor Classroom Day

Tuesday, 05 September 2017

Dear Parents,

On Thursday 7th September JSH and JSD will be participating in National Outdoor Classroom Day. This will involve a number of our lessons taking place outside.

Learning outside the classroom supports the development of healthy and active lifestyles by offering children opportunities for physical activity, freedom and movement, and promoting a sense of well-being. Learning outside the classroom gives children contact with the natural world and offers them experiences that are unique to outdoors, such as direct contact with the weather and the seasons. Playing and learning outside also helps children to understand and respect nature, the environment and the interdependence of humans, animals, plants, and lifecycles. Outdoor play also supports children's problem-solving skills and nurtures their creativity, as well as providing rich opportunities for their developing imagination, inventiveness and resourcefulness.

Therefore please make sure on Thursday that your child brings a warm coat and their gum boots (if they have them) to school so that they can participate in the activities.

Many Thanks

Jane Hart

Little Explorers Leader
