

Somerville Rise Primary School

Parent Representative 2018

The purpose of the Parent Representative Committee is to build a positive community by fostering communication through its members. It will provide another means of uniting the school community, enhancing relationships and channels of communication between teachers, parents and the students of our school.

It is desirable for all classes to have at least one Parent Representative for 2018. The role is voluntary, has no formal structures and is not meant to be an arduous task.

The role of the Parent Representative may include

- Organise a class contact list for those who would like to share their contact details
- Help make all parents, including new families feel part of the community, eg informal social gatherings
- Encourage parents to be involved in school life
- Meet with the class teacher as necessary to discuss class needs
- Attend Parent Representative Meetings to share ideas and provide valuable feedback about relevant issues and initiatives eg Respectful Relationships, playgroups, car parking, traffic, newsletters, etc.

If you would like to know more about this role for 2018, please come to the library at 1:40 tomorrow, Thursday 2 November.

Parent representatives are valued members of our community and their time and commitment are much appreciated.

Thanks,

Di Wheeler

Positive Behaviour and Respectful Relationship Coordinator
