

VISUAL ARTS PROGRAM

Dear Parents

Next term our Visual Arts program will be using recycled plastic bags and soft drink bottles. We will need LOTS them! The bags can be any colour and any size but they **MUST** be clean and USED. The bottles can also be of any size but soft drink or water only (lids required), no milk or juice bottles.

Please start collecting and send the items to the Visual Arts room.

Many thanks

Dawn Stock and Barbara King.
