

Dear Parents of students in JSD and JSH

As many of you are aware, I changed my name in January. I have gone back to using my maiden name. It will take a while to get used to being called Miss Deacon after 31 years of being Mrs Kannegieter and I am sure we will slip up occasionally!

My edumail address has now been updated. It is deacon.deborah.d@edumail.vic.gov.au

Email is a very convenient way to communicate as it can be difficult to reach each other by phone. Feel free to email me at any time if you have any questions or just want to say hi!

I'm sending this to the students in JSH as Jane Hart and I are team teaching so most of the time we will be one big grade together 😊

Looking forward to working with you this year.

Debbie Deacon
