

TOOTH FAIRY & COIN POCKETS

5/09/2017

Dear Parents

As children embark on their school journey, many new things await them. One of which being, visits from the tooth fairy. Often those precious little baby teeth will fall out at school and sometimes do not make it home.

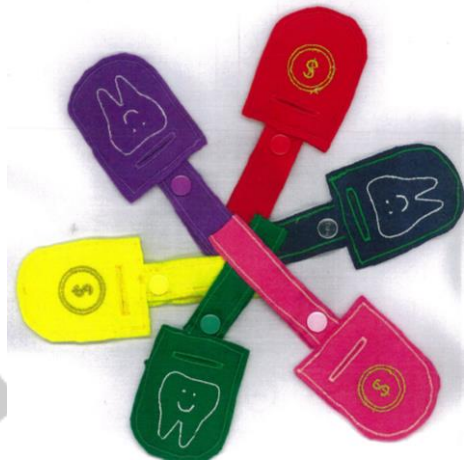

We are holding a fundraiser to solve this little problem. These tooth fairy pockets are easily attached to school bags so their little teeth are kept safe.

These pockets are also great for keeping coins in so we have also given a coin pocket option.

All pocket options are on display at the office and are \$4 each.

If you would like to order a Tooth Fairy or Coin pocket please complete the order form below and return to school together with money by Thursday 21st September.

Orders will be delivered after the school holidays.
